BENJAMIN GRADUATION OF MASTER'S DEGREE

NOAH team

I would like to thank everyone for last year and this year during the pandemic crisis of COVID-19. I know it has been difficult for all of us and we are all affected in different ways emotional, physical, and spiritually. My prayer is that God may protect you and keep you safe.

School

The school's plan is still well under way to finish the first phase of classrooms. Can I please ask that we as people continue to pray in this regard so that the classrooms may get completed?

Nuba Mountains

With the new Sudanese Transitional Government, people can now easily travel from Khartoum to Nuba Mountains. Before it was difficult to go to Nuba Mountains through Kadugli. So, let's put the people of Nuba Mountains in our prayer during this rainy season to improve our agricultural success.

SUDANESE CHURCH OF CHRIST

Sudanese Church of Christ in its general assembly meeting in April 2021 had elected new president Rev Alamin Kuku. We pray for his wisdom in his term in the office for the next three years. Sudanese Church of Christ in Sudan has faced a lot of challenges with many issues, hoping that through new executive committee of SCOC lead by Rev Alamin would be able to restore the church back into reunifying.

Tractor

I would like to take this opportunity to give thanks to you all and especially those who have contributed for the tractor and its trolley. We now have a tractor and a 10 disc blade which we would have liked a 24 or 30 but due to insufficient funds this was unfortunately not able to be done. But at this point thank you all for great job that had been put in this effort. Special thanks go to Pastor Thong and his team. The tractor has arrived safely into the Nuba Mountains.

NOAH fundraising on June 26

Due to the above needs we are organizing fundraising on 26th of June 2021 at Ashgrove Baptist Church to support the above needs. Can I ask that those who may not be able to attend this fundraising event, to make their support through NOAH banking. Please advise Elizabeth by email elo7024@hotmail.com or by text on 0455 910953 who will be able to email you our bank account details for those who wish to do so. Once again, we would like to thank everyone for their time and efforts in prayer and support for these projects to be done.

Container Port Sudan

The container has arrived but is still in Port Sudan and not yet on its way to Nuba Mountains. Can I ask your prayer in this regard, that God can intervene in the situation and for transportation to Nuba Mountains.
